## Objective & Investment Policy

**Objective:** To provide long term capital growth.

**Investment Policy:** To invest in shares of European companies or companies where the predominant part of their income is derived from Europe. The Fund will invest in small companies and companies focussing on specific products or markets.

**Distribution Policy:** Any income generated will be automatically reinvested in more units/shares of the same class unless payment is specifically requested.

**Dealing Frequency:** Normally 12 noon (London time) Monday to Friday unless it is a UK public holiday day or a day on which the London Stock Exchange is not open for business.

**Minimum recommended holding term:** This Fund may not be appropriate for investors who plan to withdraw their money within 5 years.

For full details on the Objective, Investment Policy and the Distribution Policy please refer to the prospectus.

## Risks and Rewards

The indicator above is not a measure of the risk of capital loss, but a measure of the Fund's price movement over time, the higher the number the greater the price movement both up and down. It is based on historical data and is not a reliable indication of the future risk profile of the Fund. The risk category shown is not guaranteed and may change over time. The lowest category does not mean a risk-free investment. The Fund is classified in the category indicated above due to past movements in the Fund's price. There

is no capital guarantee. The value of investments and the income from them may go down as well as up and investors may not get back the amount they invest.

- Changes in exchange rates between the currency of the Fund and the currencies in which the assets of the Fund are valued can have the effect of increasing or decreasing the value of the Fund and any income generated.
- The Fund can hold smaller company shares which can be more difficult to buy and sell as they may trade infrequently, in small volumes and their share prices may fluctuate more than those of larger companies.

## Charges

The charges you pay are used to pay the costs of running the Fund, including marketing and distributing costs. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest.

<b>Entry charge</b>	5.00%
<b>Exit charge</b>	-

Charges taken from the Fund over a year

<b>Ongoing charges</b>	1.58%
------------------------	-------

Charges taken from the Fund under certain specific conditions

<b>Performance fee</b>	-
------------------------	---

The entry and exit charges shown are maximum figures. This is the maximum that might be taken out of your money before it is invested and before proceeds of your investment are paid out, respectively. In some cases you might pay less - you can find this out from your financial adviser.

The ongoing charges figure is based on expenses for the year ending 31 May 2012. This figure may vary from year to year. It excludes performance fees and portfolio transaction costs, except in the case of an entry/exit charge paid by the UCITS when buying or selling units in another collective investment undertaking.

The Fund will incur portfolio transaction costs which are paid from the assets of the Fund.

For more information on charges, please refer to the relevant sections of the Prospectus.
